RE: CF19-0126 - Potential Bridge Housing at 3210-3248 Riverside Drive

Dear Mr. Villanueva:

Stonewall Democratic Club is pleased to support CF 19-0126, the potential bridge housing project at 3210-3248 Riverside Drive.

Since 1975 Stonewall Democratic Club has advocated and given a voice to progressive Democrats who are lesbian, gay, bisexual, transgender, and straight allies of the LGBT community. Our goal is to achieve equality for all and to advance progressive and feminist values through the Democratic Party. In order to advance progressive values, we must ensure that all members of our community are able to have a place they call home.

This long overdue effort to combat the growing homelessness problem in the City of Los Angeles is critical and we must all do our part. Homelessness is a growing problem and unless we support supportive housing measures and bridge housing projects all across Los Angeles, we are not doing our jobs as community advocates to end homelessness.

For these reasons, Stonewall Democratic Club applauds the city's ongoing efforts to build bridge housing projects and we support the potential bridge housing project at 3210-3247 Riverside Drive.

Sincerely,
