**Re: City Council File 19-0192  
Community Impact Statement**

**Dear Members of the Los Angeles City Council,**

“The Reseda Neighborhood Council supports Council File 19-0192 with its proposed amendments (see below). This support is contingent upon the feasibility studies being expanded to the additional lots as stated in the proposed amendment, as well as investigating the viability of all other appropriate City-owned properties throughout Council District 3 for these purposes. In addition, the Reseda Neighborhood Council requires transparency during these processes so we may keep our stakeholders fully informed on any possible and/or proposed impacts to our Community.”

(Draft Proposed Amended Council File):

I THEREFORE MOVE that Council direct the City Administrative Officer, with the assistance of the Chief Legislative Analyst, the Department of General Services, the Department of Transportation, and any other affected stakeholders, to initiate a review of the City-owned properties located at 7246 Baird Avenue, 7222 Baird Avenue, 7120 Baird Avenue, 7131 Canby Avenue, and 7130 Darby Avenue to determine the feasibility for development as affordable and/or supportive housing with replacement parking, in conformance with the procedure set forth for the City’s Asset Evaluation Framework.

Sincerely,

Sarah Williams  
President  
Reseda Neighborhood Council
