OFFICE OF THE CITY ADMINISTRATIVE OFFICER

Date: February 20, 2020

To: The Mayor
The Council

From: Richard H. Llewellyn, Jr., City Administrative Officer

Reference: Housing and Community Investment Department transmittal dated January 7, 2020; Received by the City Administrative Officer on January 23, 2020; Additional Information Received through February 20, 2020

Subject: REQUEST FOR ADOPTION OF RESOLUTION AUTHORIZING THE LOS ANGELES HOUSING AND COMMUNITY INVESTMENT DEPARTMENT TO APPLY TO THE CALIFORNIA DEBT LIMIT ALLOCATION COMMITTEE FOR AN ALLOCATION OF THE STATE CEILING ON QUALIFIED PRIVATE ACTIVITY BONDS FOR A MORTGAGE CREDIT CERTIFICATE PROGRAM OF UP TO $100,000,000

RECOMMENDATIONS

That the Council, subject to the approval of the Mayor:

1. Adopt the attached Resolution approving the Mortgage Credit Certificate (MCC) Program and authorizing the General Manager of the Housing and Community Investment Department (HCID), or designee, to apply for an allocation of MCCs and to issue MCCs per Section 25 of the Internal Revenue Code of 1986, as amended, from the State of California Debt Limit Allocation Committee for a cumulative amount not to exceed $100,000,000;

2. Authorize the Controller, or designee, to expend funds from Fund 643, Account 43L407, in an amount not to exceed $130,600, per allocation application round, upon proper written demand of the General Manager of HCID, or designee, for application costs associated with the MCC Program; and,

3. Authorize the General Manager, HCID, or designee, to prepare Controller instructions and make any necessary technical adjustments consistent with the Mayor and Council actions on this matter, subject to the approval of the City Administrative Officer.

SUMMARY

The Housing and Community Investment Department (HCID) requests authorization to apply for
an allocation of Single-Family Mortgage Revenue Bond authority for the Mortgage Credit Certificate (MCC) Program from the California Debt Limit Allocation Committee (CDLAC) in an amount not to exceed $100,000,000. As part of the application process, CDLAC requires the City to adopt the attached Resolution authorizing the continued operation of the MCC Program and the submission of the application. The HCID expects to submit the application no later than March 20, 2020 for an award allocation at CDLAC's May 20, 2020 meeting. If approved, the anticipated allocation will assist approximately 390 families to become first-time homebuyers. Subsequent to the release of their transmittal dated January 7, 2020 (Report), HCID confirmed that CDLAC has not yet released the 2020 City of Los Angeles fair share amount. The request for $100,000,000 is intended to cover allocation application rounds across multiple years, and HCID stated that they would return to Council for authority to apply for additional rounds as they approach the $100,000,000 allocation limit. This Office concurs with the recommendations of the Department. Additional background and application process information is included in HCID's report.

The HCID has accrued approximately $202,150 in application fees and penalties (MCC Funds) in over 20 years of operating the MCC Program. These funds are held in Fund 643 Account 43L407. The HCID is requesting to utilize $130,600 per allocation application round in MCC Funds for costs associated with the MCC Program, of which $100,000 will be used for the performance deposit. CDLAC will subsequently authorize the release of the funds upon the award of Single Family Private Activity Bonds, which would then be available for future MCC Program costs. The remaining balance of MCC Funds ($30,600) will be used for: 1) contractual services expenditures and fees associated with the program application, including an Initial Application Fee of $1,200 and an Allocation Award Fee of approximately $8,000 if the City is awarded an MCC allocation, and 2) marketing purposes with the intention of expanding the MCC Program and being able to reach out to more first-time homebuyers, lenders and other real estate professionals.

FISCAL IMPACT STATEMENT

There is no impact to the General Fund. The proposed allocation of up to $130,600 will be funded by application fees and penalties for the Mortgage Credit Certificate Program.

FINANCIAL POLICIES STATEMENT

The recommendations in this report comply with the City's Financial Policies in that sufficient funds are available to fund applications for an allocation of Single-Family Mortgage Revenue Bond authority and marketing for the Mortgage Credit Certificate Program.
