

MOTION

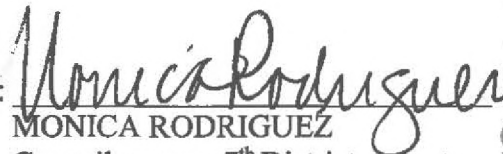

The Seventh Council District (CD 7) has received a request to donate one (1) Bearcat armored truck to the City of Monterey Park Police Department.

Section 22.547 of the Los Angeles Administrative Code provides that upon Council approval, surplus City equipment may be sold for less than market value to a governmental entity if the cost to discard, recycle, or transport the surplus equipment would impose a net financial cost to the City. The Monterey Park Police Department has an office located at 320 West Newmark Avenue in the City of Monterey Park. The fair market value of the truck is \$8,700, which will be foregone revenue should it be donated. As maintenance of the surplus equipment, as well as the estimated cost of disposal (\$14,700), would impose a net financial cost to the City, the Monterey Park Police Department is eligible for this below market value sale of surplus equipment.

I THEREFORE MOVE that the City Council:

1. Find that the Monterey Park Police Department is eligible to purchase one (1) Bearcat armored truck (VIN# 1FDAF57P44EB12663) at below market value (\$1.00), in accordance with LAAC Sec. 22.547 (Donation of Surplus City Equipment), as the recipient is a governmental agency and the cost to discard, recycle, or transport the surplus equipment would impose a net financial burden to the City; and
2. Request the City Attorney to prepare a contract to effectuate the sale and transfer of the above identified surplus equipment at below market value to the Monterey Park Police Department; and
3. Instruct the City Clerk to inform the Monterey Park Police Department [Lieutenant Scott Wiese, 320 West Newmark Avenue, Monterey Park, CA 81754, (626) 307-1236] that the surplus equipment must be claimed within 60 days from the date of Council approval of the request after which time it will revert to the City's surplus equipment pool for disposal by the Department of General Services.
