To whom it may concern:

I am in total support to save Tom Bergins, it is one of a kind. Free standing with it's own parking lot and all the History. I grew up in the area, my grandmother lived next door at 800 S.Fairfax, My Dad delivered produce to the restaurant from 1950's until he retired.
We must protect it! We do not need another giant building.

Best,
Susan Roth

Hi. I've been going to Tom Bergin's since the late 80's and it has been a gathering place for so many friends it's impossible to count. How many birthday parties did I have there? How many bartenders did I befriend there? When one of the oldest bartenders, Michael O'Dwyer got sick, the community put on a huge roast of him (He got us all with his final remarks but good.) and gave him thousands of dollars so he could survive. THAT'S what Tom Bergin's is all about.

Please support this nomination. Thank you.
