Re: Tree Planting on Mulholland Highway

Please be advised, on May 13, the Hollywood United Neighborhood Council (HUNC) voted unanimously to support tree planting and irrigation along Mulholland Highway.

HUNC recognizes that the situation at the narrow part of Mulholland Highway is currently a fatal accident waiting to happen. Vehicles often stop there illegally for a photo of the Hollywood Sign. Other motorists resultingly drive around these illegally stopped vehicles, and often narrowly avert a head on collision. Vehicles even jump the curb and drive off the road to park for a photo.

The trees selected by the city arborist are fast growing and will ultimately block the view of the sign, making this area no longer a viable viewing spot or a place for cars to park illegally.

We strongly encourage the City Council to support this tree planting project.

Thank you for your consideration.

Sincerely yours,

George Skarpelos\*  
President
