

### MOTION

In 2007, the City Council directed the Department of Transportation, Department of City Planning and the City Attorney's Office to work together to update the Coastal Transportation Corridor (CTC) Specific Plan and the West Los Angeles Transportation Improvement and Mitigation (WLA TIMP) Specific Plan (C.F. 07-0287). On June 19, 2018, the City Council requested the City Attorney's Office to prepare the final Specific Plan ordinances and accompanying Trust Fund Ordinance. A fee ordinance is necessary to implement the fee update authorized in the Specific Plan ordinances.

I THEREFORE MOVE that the Council take the following actions:

1. REQUEST the City Attorney to prepare and present the following ordinances:
  - a. Adding Section 19.19 to Chapter I of the LAMC to establish Transportation Impact Assessment Fee amounts to be collected pursuant to the CTC and the WLA TIMP Specific Plans, fee credit amounts and credit calculation methods, authorized transportation improvements to be partially funded by those fees and the process by which the transportation lists maybe adopted and updated, and guidelines for administering the CTC and WLA TIMP Specific Plan Trust Funds, as provided in the Draft Resolution attached to the City Planning Department report dated June 4, 2018.
  - b. Amending Articles 13.5 and 13.6 to Chapter 5 of Division 5 of the Los Angeles Administrative Code revising the CTC and WLA TIMP Specific Plan Trust Funds.
