

Communication from Public

Name: Patricia McAllister

Date Submitted: 07/31/2019 11:02 AM

Council File No: 19-0360-S1

Comments for Public Posting: It is discriminatory to show video and play audio of every speaker and presenter, while refusing to show the video of public speakers. Please show the video, and play the audio of ALL speakers and presenters. The city also refuses to give out agendas of the council meetings to the public. Not presenting agendas has been going on for nearly a year now!
