Summary: The Arroyo Seco Neighborhood Council (ASNC) extends its support to this motion (19-0481) calling for the City of Los Angeles to be declared a “Blue Community.” In doing such the City pledges to maintain and promote the public ownership, financing and operation of water, including its sources, distribution, and treatment. Clean drinkable water, a necessity of life itself, is a human right. A right that should not be infringed upon nor turned over to private holding and financial gain. It is also in the interest of the public, for a cleaner and healthier environment, that 100% of wastewater be treated.
