

### MOTION

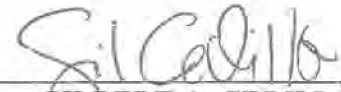

The 2018-19 Adopted Budget includes \$200,000 in Measure M for work on the Cypress Park Pedestrian Bridge Project. This effort includes the redesign of the Cypress Avenue Pedestrian Bridge that crosses the Arroyo Seco Parkway at Cypress Ave to enhance the transportation system and overall mobility network. The Bureau of Street Services (BSS) is coordinating with a contractor for fencing improvements. This work will be completed by June 2019, which will require the transfer of the Measure M funds to the Bureau.

I THEREFORE MOVE that the Council, subject to the approval of the Mayor, authorize the City Controller to transfer/appropriate \$126,000 from the available cash balance in Measure M Local Return Fund, Fund 59C, Department 94, Account 94RV39 "Cypress Park Pedestrian Bridge" to the Bureau of Street Services for their costs on the project, as follows:

- Fund No. 100/86, Appr Unit No. 003040 (Contractual Services) - \$102,304.61
- Fund No. 100/86, Appr Unit No. 001090 (Overtime) - \$23,695.39

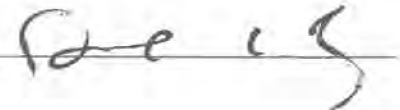

I FURTHER MOVE that the Council authorize the Controller to make technical corrections, as necessary, to the above transaction to effectuate the intent of this motion.
