Comments for Public Posting: I urge you to pass O'Farrell Motion LAMC 41.18 amendment to protect students, residents, and disabled persons from the burdens of homeless encampments. Something must be done for the safety of residents, the elderly, the handicapped, children, and pregnant women who are forced to walk into the busy and often dangerous streets because our sidewalks are made impassable due to homeless encampments. If we do not have law enforcement, LA will continue in a downward spiral and crime will continue to escalate. Don't believe me? Look at Mike Bonin and Eric Garcetti's facebook pages. People are fed up with the homeless crime and filth.
