Comments for Public Posting: Dear, councilmember, I want to look at the situation as if it was me. The council file 19-0602-S1 proposing amendments to 41.18(d).41.18.(d) should be rescinded, not amended. Treating the homeless with cruelty is not an answer at all. Actually we are constructing an effective social service solution for the homeless. Please, do not interrupt the work already made. The Los Angeles family workers are doing an amazing job by developing the relationship with the homeless which undeniably bring improvement. The proposition of amendments to 41.18(18) will disrupt the amazing work that the outreach workers have already achieved. We will lose weeks, months as well as years of outreach work when contact is disrupted with displaced clients. Please, consider not to amend LAMC 41.18(18). Rescind LAMC 41.18(d) Thank you for your help Therese Tatakitsa
