Comments for Public Posting: I saw the map that outlined where the homeless encampments will be restricted in certain areas. GOWER underpass was one place. But I was informed that BRONSON overpass where I live is NOT being included as part of the redistricting of where these people can live on the street. If this is TRUE. THEN ALL HELL WILL BREAK OUT. You can't SHUFFLE homeless around like a deck of cards to other blocks where people live because SOME FOLKS do not want it on their block. This is VERY, VERY BAD POLICY. And I see lawsuits in the horizon. I am right next to the freeway overpass. We are now seeing tents arriving there every day. When I got to the neighborhood 6 years ago there were no encampments anywhere in sight. Then about 3+ going on 4 years ago the West Hollywood Food Coalition began food services inside the Salvation Army and slowly the homeless and tents came on Carlos (back of property). A once quiet, safe and clean side street became a NIGHTMARE of filth, garbage, violence, theft, drugs, etc. The homeless and tents are down the block on Hollywood Blvd/Bronson corner by Tommy's. A growing SHANTYTOWN is next to it on off ramp. We have had transients and other mentally ill trespassers on and inside our property along with roaming around the streets looking to sit/sleep or whatever. STOP THIS MADNESS. And start fixing the problems with REAL SOLUTION. Hard but necessary.
