Summary:

On September 11, 2019, your Committee considered August 23, 2019 CAO and June 25, 2019 Board of Police Commissioners (Board) reports relative to the acceptance of the IGP from the California Commission POST for the period of April 1, 2019 through March 31, 2021. According to the CAO, the LAPD is seeking retroactive approval to apply for and accept a \$200,000 grant award for the FY 2018-19 IGP from the California Commission on POST. The grant term is from April 1, 2019 through March 31, 2021. The California Commission on POST awards the Innovation Grant Program to qualified public and private entities to foster innovations in training and procedures for law enforcement officers with the goal of reducing the number of officer-involved shootings.

The FY 2018-19 IGP will fund the following expenses:

1. \$177,450 for sworn overtime to instruct 13 Crisis Negotiation Tactics - Basic courses.
2. \$5,000 for the purchase of two laptops to aid in the administration of the program.
3. \$17,550 for course presentation expenses, such as projectors and office supplies.

The Recommendations in this report differ from the Recommended Actions in the June 25, 2019 Board report. Recommendation 3.F. in the Board report instructs the City Clerk to place instructions for the Controller on the City Council Calendar on July 1, 2019 or the first meeting day thereafter. Since this matter is being heard subsequent to July 1, 2019, Recommendation 3.F. has been amended to remove the City Clerk instruction and directly request authorization for the Controller to perform the necessary transfer. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the recommendations contained in the CAO report and detailed above. This matter is now submitted to Council for its consideration.

Respectfully Submitted,
