Summary: The Atwater Village Neighborhood Council would like to voice our support of Council File 19-0718. A key accelerant of the homelessness crisis that grips our city is the absence of tenant protections in the case of no-fault evictions (evictions in cases where the tenant paid rent and no terms of the lease were violated). We encourage the council to pursue this tack of studying new ways under state law to expand eviction protections so as to prevent more people from losing their housing and becoming homeless in Los Angeles.
