Dear Councilman Curren D. Price Jr.,

The Voices Neighborhood Council on 10/26/2019 voted unanimously to SUPPORT IF AMENDED, City Council File 19-0848, which instructs the City Attorney with the assistance of the Los Angeles Police Department to prepare and present an ordinance requiring privately and publicly owned entertainment venues that restrict the carrying of a firearm by off-duty law enforcement personnel to provide a secure lock box for off-duty officer's firearms while they are on their premises.

Voices NC will support this ordinance if it is amended to reflect that the burden of responsibility for damages incurred by use of firearms is on the venue owner. In addition, the opportunity to secure a firearm should be extended to all individuals with a valid California Concealed Carry Weapons License.

We thank you for your attention to this matter and appreciate your commitment to strengthen our community.

Sincerely,

Steven J. Nieto, MA
