Dear Councilman Curren D. Price Jr.,

The Voices Neighborhood Council on 10/26/2019 voted unanimously to SUPPORT IF AMENDED, City Council File 19-0849, which is directs the LAPD to report on its ability to identify and track confiscated firearms in the City, including but not limited to: The number of firearms seized, registration status, and whether weapons recovered are otherwise legal under California law.

Voices NC will support this ordinance if it is amended such that the City makes the data available to the public. Additionally, the neighborhood council area or zip code where the firearms were seized, along with a history of the weapon's origin (e.g., complete purchase and sale information, information on whether the firearm crossed state lines or international borders) should also be tracked and reported.

We thank you for your attention to this matter and appreciate your commitment to strengthen our community.

Sincerely,

Steven J. Nieto, MA
