Summary: The Empowerment Congress North Area Development Council (NANDC) supports the appeal objecting to the approval of this project under a categorical exemption. We urge the Committee and Council to recommend the granting of the appeal pending the completion of environmental review for this Project. On September 6, 2018 the Empowerment Congress North Area Neighborhood Development Council reviewed the appeal to oppose the adaptive reuse of the former Korean Church building at 1276 W. 29th Street. The Board considered the request and voted to support the appeal and adopt a resolution in that regard. The project needs to be reviewed in terms of historic standards (The Secretary of the Interiors Standards);the City's own CE (Categorical Exemption) is not adequate; if mitigations are added an MND is required; staff erred in accepting the developer's consultant report and not the City's own research and analysis of the importance of the site as a significant historic resource of the Korean-American history. The Policy Committee met on August 28 2018 and recommended that the Board support the appeal and approve a resolution of support. (3-0-2). The matter was placed on the NANDC September 6, 2018, duly noticed General Board Meeting Agenda, VII. Motions & Resolutions, item e., and approved by a vote of 5 ayes,0 nays, and 7 abstentions.
