Summary: The Arroyo Seco Neighborhood Council (ASNC) extends its support to this motion (19-0883) calling for the City Attorney to prepare an ordinance prohibiting the possession of assault weapons within the City of Los Angeles. While the state of California currently restricts the sale, importation and manufacture of assault weapons the possession of such weapons is not prohibited under current law. Since these arms serve no other purpose than to efficiently kill their presence in the City of Los Angeles is not needed. While outright prohibition will not eliminate their illegal use 100% the federal assault weapons ban of the 1990s shows that such restrictions greatly reduce the instances in which these weapons are used. While the Arroyo Seco NC desires to see the federal ban reinstated the board feels that this motion is the step in the right direction
