**Comments for Public Posting:** Blumenfeld, you are hereby put on notice that this area, district three, has steadily gone down hill with your lack of consistency whereby the homeless have ruined our neighborhood and parks by defecating on the streets because of lack of housing. The people are sleeping in cars, sidewalks and trailers/RV's. This has become a nuisance to the area. As YOUR constituent, I demand that you vote to enact the ordinance in that we the people want the police to enforce the municipal code set forth by the city of Los Angeles. As a property owner, I do not want people sleeping in cars, sidewalks, tents, trailers or any other type of homeless unit along the city streets. I work hard to pay property taxes and expect the city to take the money from measure HHH to make temporary housing until further housing is established- get the homeless into MOTELS that demand credit cards which is impossible. If the city can drive rented vehicles, the city can provide support to those in need of housing. Moreover, the homeless crisis is not a housing shortage as suggested by Mayor Garcetti; it is a drug addiction problem. Those on our streets have been brought to the state of California by drug rehabs owners who prey upon those most vulnerable just to make a profit from the ACA. The city of Los Angeles has failed to enact laws overseeing the licensing of these rehabs like the DISCOVERY HOUSE in Reseda who is illegally operating in the middle of an R-1 zoned neighborhood. The law prevents drug rehabs and/or detox centers from operating in this neighborhood - within 500 feet of an elementary school ("Bertrand"). YOU TOLD OUR NEIGHBORHOOD THAT YOU WOULD SHUT DOWN ILLEGAL HOUSES BUT SINCE TAKEN OFFICE YOU HAVE DONE NOTHING!!! No neighborhood should have to endure a detox facility that takes health insurance. DO YOUR JOB - NOW!!! I want you to stop the madness and clean up our neighborhood by enforcing the LAW! And, I do not support sanctuary city non-sense set forth by the mayor. If you cannot represent the people of the city then you need to get out of OFFICE!!! I will contact Fox 11 investigate just like when Zine was in office. STOP BEING CORRUPT AND PRACTICE YOUR ETHICAL DUTY to MY NEIGHBORHOOD!
