Summary: The Arroyo Seco Neighborhood Council (ASNC) extends its support to this motion (19-1089) Private prisons have one goal, to increase capital. As such private prisons have no motive in the reduction of rehabilitation of prisoners, whose numbers private prisons count on as their profit motivator. In addition these facilities operate outside of regulations regarding prisoner care and rights. Therefore the Arroyo Seco NC feels that investment in these prisons goes against the aims of reducing the prison population and providing a better life post-incarceration for those that have fallen to the wayside of the law. Thus ASNC feels that divestment is a proper course of action regarding the city pensions.
