Item Number:

Summary: The Greater Valley Glen Council supports the proposal to convene community stakeholder meetings by the Department of Recreation and Parks to solicit feedback re the safety, cleanliness, manageability and accessibility of City parks, if amended to specify that such meetings be held in conjunction with the appropriate neighborhood council or councils within whose footprint the park is located. In many, if not all instances, neighborhood councils are as knowledgeable, if not more so, of problems associated with these parks than is park management.
