

MOTION

I HEREBY MOVE that Council AMEND the Motion (Martinez - Wesson) relative to requesting an Ordinance implementing a moratorium on rental increases in all residential rental units until January 1, 2020 to add the following recommendation:

INSTRUCT the Los Angeles Housing and Community Investment Department to report back on the status of a robust eviction prevention program that includes a detailed timeline and plans for citywide reach. The report should also include recommendations on how the City could expand prevention efforts, such as the creation of an emergency rent relief program for vulnerable City residents who do not meet the Los Angeles Homeless Services Authority (LAHSA) requirements for homeless services.
