Summary: Captain Albert Torres was a City of Los Angeles Park Ranger who devoted his entire career to working for the people of this city. Captain Torres was well known for his responsiveness to the needs of the community, and for how he cared deeply for our parks. He was well known and loved by our equestrian community as a member of the park rangers mounted unit. We are extremely saddened by the passing of this beloved public servant. We support the proposal to name the Visitor Center and Ranger Station at Crystal Springs in Griffith Park, as well as the Sepulveda Basin Wildlife Reserve in memory of Captain Torres. Captain Torres spent a great deal of time in the Hansen Dam Recreation Area, and was well respected and loved by the members of the community here surrounding Hansen Dam. Therefore, we recommend the city also consider naming the Hansen Dam Ranger Station in memory of Captain Torres.
