Comments for Public Posting: Suspend Rent, Mortgage Payments and Utility Bills please! We can't work. We can't afford it now and we won't be able to afford it in a few months. The bills have to be cancelled.

Comments for Public Posting: If production and businesses are shut down across all of Los Angeles, there is obviously no way to make money. Therefore, no way to pay rent. I am a young professional who works very hard to pay rent on time and make a living. I will not survive if rent is still being made to be paid during this quarantine. Halt rent payments for 3-6 months to give everyone a chance to survive.
