

**RESOLUTION**

WHEREAS, California Vehicle Code Section 22507 authorizes cities to restrict the parking of vehicles, including but not limited to, vehicles that are six feet or more in height, on identified City streets during certain hours; and

WHEREAS, a segment of Balboa Boulevard is experiencing an increasing problem with oversized vehicles parking for extended periods of time, which is constricting travel lanes, thereby creating a dangerous situation; and

WHEREAS, California Vehicle Code Section 22507 requires that with the exception of parking restrictions in alleys, a resolution that restricts the parking of vehicles, including but not limited to six feet or more in height, during all or certain hours of the day, will only apply in areas in which signs are posted giving notice of restrictions;

NOW, THEREFORE BE IT RESOLVED, that the City Council, pursuant to California Vehicle Code Section 22507, hereby prohibits the parking of vehicles that are in excess of 22 feet in length or over 84 inches in height, during the hours of 7:00 a.m. and 12:00 a.m., on both sides of Balboa Boulevard between McCormick Street and Clark Street.

BE IT FURTHER RESOLVED that upon the adoption of this Resolution, the Department of Transportation be directed to post signs giving notice of the above restrictions for oversized vehicles, with those specific hours detailed; and

BE IT FURTHER RESOLVED that the Department of Transportation be authorized to make any technical corrections or clarifications to the above instructions in order to effectuate the intent of this Resolution.
