SUMMARY

On January 21, 2020, Council considered Resolution (Bonin – Blumenfield) relative to establishing oversize vehicle parking restrictions along several street segments in Council District 11. Resolution states there is an increased problem with oversized vehicles parking on the residential street segments listed above, often immediately adjacent to residential buildings. These large vehicles are often parked overnight, constricting travel lanes and creating undesirable roadway conditions. Council referred Resolution to the Transportation Committee for consideration.

At its meeting held February 12, 2020, the Transportation Committee recommended that Council approve the proposed parking restrictions and related LADOT instructions pursuant to Resolution.

Respectfully Submitted,
