### SUMMARY

On February 4, 2020, Council considered Resolution (Koretz – Huizar) relative to establishing oversize vehicle parking restrictions along segments of Rosewood and North Fuller Avenues. Resolution states these street segments are experiencing an increased problem with oversized vehicles parking during all hours of the day, constricting travel lanes, blocking visibility as well as the safe exit and entrance to driveways, and creating dangerous situations. Council referred Resolution to the Transportation Committee for consideration.

At its meeting held February 12, 2020, the Transportation Committee recommended that Council approve the proposed parking restrictions and related LADOT instructions pursuant to Resolution.
