PLUM Committee Members,

With Los Angeles in a deep housing and homelessness crisis, the City absolutely cannot afford to leave any money that could potentially fund affordable housing on the table. Developers must pay their fair share of the TFAR Public Benefit fee if they want to build in Downtown Los Angeles.

Please ensure that luxury projects proposed for Downtown Los Angeles are properly assessed by an independent 3rd party that meets City Code requirements and not associated with the Project Applicant. TFAR projects must follow the rules and truly benefit the community by paying the full amount of the TFAR Public Benefit Payment, that is allocated for affordable housing.
