

MOTION

Tarzana Treatment Centers, Inc. (TTC), is a private, non-profit community-based organization that operates full-service behavioral healthcare programs and primary care clinics in the Los Angeles metropolitan areas, including a clinic located at 18646 Oxnard Street in Tarzana. TTC provides high quality treatment for substance abuse disorders, mental illness and other clinic physical health disorders in order to improve the quality of life and health of its patients, no matter their financial resources.

In 2001, the City and TTC entered into an agreement to allow for the use of a City-owned parking lot across the street from TTC's Oxnard Street facility in Tarzana. This agreement is now expired, and a new agreement is needed. TTC provides valuable services to the community, and the use of this lot is needed to effectively continue to serve the community of Tarzana.

I THEREFORE MOVE that the Department of General Services, with the assistance of the City Attorney's Office, be DIRECTED to negotiate and execute a non-profit license agreement with Tarzana Treatment Centers, Inc. (TTC) to allow for TTC's continued use of a City-owned parking lot, APN No. 2127-018-901, across the street from their facility located at 18646 Oxnard Street, Tarzana.
