

## Communication from Public

**Name:** Elle Farmer

**Date Submitted:** 01/21/2020 11:31 AM

**Council File No:** 20-0065

**Comments for Public Posting:** I am a resident of Council District 13 and I implore councilman O'Farrell to support the council president's motion. This company VisionQuest has a long and devastating history of abusing children, and the federal policies calling for this detention center are themselves intended to cause harm and fear. We cannot allow this to happen in Los Angeles. I ask the whole council to support Council President Martinez's motion.
