Comments for Public Posting: I am writing to regards in destroying a historical street Normandie in Korea town. What your planning on doing is against all principles with this community. Why are you selling out to big conglomerates? Greed as all I can think of.

Comments for Public Posting: I support the effort to stop the project slated for 738 S Normandie Ave. Please consider this historical neighborhood in your decisions. Developers need to Oncor designs that blend with the neighborhood and also how future plans might add to an already overwhelming homeless situation.
