Ms. Campos:

I tried submitting a public comment and supporting letter to the Clerk's Office on the website referenced in the Council File.

For some reason, it would not go through. . . . I tried submitting the public comment separately from the attachment, and even though I had 4 characters left, the system would not process it.

Therefore, I am submitting both my written public comment and my more detailed letter to you for inclusion in the Council File.

Thank you Ms. Campos. . .

Much appreciated.
