

MOTION

The alley between W. 73rd Street and W. Florence Avenue (East-West), westerly of Hoover Street, has become a public nuisance. The residents abutting the alley have reported ongoing public safety and health issues at this site, including illegal dumping, and have requested that this alley be closed. A recent cleanup at this site removed over 12 tons of refuse.

Pursuant to State Vehicle Code Section 21101.4, the City is authorized to undertake the temporary closure of public streets for a period of eighteen months when necessary to mitigate criminal activity and/or illegal dumping.

I THEREFORE MOVE that the City Engineer be instructed to report with recommendations to temporarily close the alley running between and parallel to W. 73rd Street and W. Florence Avenue, westerly of Hoover Street, for reasons of public safety, pursuant to State Vehicle Code Section 21101.4.
