Comments for Public Posting: This motion would put more Angelenos, especially those who are unhoused and use public parks as their homes, in danger. We are learning in real time that the training the LAPD receives is not enough to keep them from using their weapons egregiously, and the park rangers would be no different. Given the current conversation about the overwhelming funds, weaponry, and oversight police are allowed, this motion is dangerous and almost certainly racist, as it will disproportionately affect unhoused Black and brown Angelenos.
