**Comments for Public Posting:** Hello, my name is Gina Seo and I am a constituent in your district. I'm calling as part of the Healthy LA coalition because I'm worried that this health crisis will also become a long-term eviction and economic crisis, leaving me (or our most vulnerable community members) jobless, with lots of debt, and at risk of becoming homeless. Therefore, I urge ALL COUNCIL MEMBERS to: Pass a complete eviction moratorium that keeps me safe in my home Make sure mortgage relief is tied to relief for renters so that tenants don't accumulate rent debt Pass a right of recall to ensure workers are rehired when the health emergency ends Bring back measures to council to protect unhoused people.
