Summary: The Central San Pedro Neighborhood Council is the community's advocate on issues such as homelessness, development, public health and the Port of Los Angeles. The CO-VID19 virus has disrupted the programs planned to address these and other issues. In order to be able to provide services following the pandemic emergency, the Council needs to retain unused funds, without a reduction of the regular budget.

RE: Community Impact Statement in SUPPORT of Council File 20-0416

Dear Council Members:

The Central San Pedro Neighborhood Council (CeSPNC) is the community's advocate on issues such as homelessness, development, public health, and the Port of Los Angeles. However, the COVID-19 pandemic has caused the postponement or cancellation of many programs and services planned to address these and other issues. This disruption has resulted in leftover funds. In order to be able to provide programs and services to the community following the pandemic emergency, the Central San Pedro Neighborhood Council needs to retain these unused funds without a reduction of the regular budget.

The CeSPNC urges the adoption of the motion to rollover unused Neighborhood Council funds into Fiscal Year 2020-2021 in addition to maintaining the regular budget allocation of funds for Neighborhood Councils.

Sincerely,
Carrie Scoville
President
Central San Pedro Neighborhood Council
