Summary: The Rampart Village Neighborhood Council is in support of the motion. Many neighborhood councils have already done some amazing Covid-19 relief work. By having our funds rolled over, many will be able to do/continue to do this important work. An expedited process of getting much needed funds to local organizations involved in Covid-19 relief work will allow neighborhood councils to more rapidly give those organizations the additional financial support they need and deserve. Your yes vote on this motion is greatly needed and appreciated. Than you.
