Comments for Public Posting: Voices Neighborhood Council, located in South LA and within Council District 9, had several planned events that would have reached several hundred stakeholders within our community but had to be canceled due to COVID-19. These events included: 1. Vermont Square Library's Annual Spring event for students participating in their literacy program 2. Planting 95 trees within Voices NC boundaries in partnership with KYCC 3. Community Clean Up event to help promote MyLA 311 in partnership with CD9 & John Muir Middle School These events were created to engage stakeholders, build pride and promote social connections in our community as well as lessen environmental impact & beautify our streets. We would appreciate all of our remaining funds from FY19-20 be rolled over into FY20-21 so we may continue to support and engage our community.

Summary: The Del Rey Neighborhood Council, at its meeting on April 9th, 2020, approved support of this Council File. We are on the front lines of the Coronavirus battle and all NCs must be able to meet equitably in order to serve our communities. DONE must expedite and in a timely matter a system to allow other NCs to follow our lead and meet in a secure, safe, and publicly accessible way. Further, and especially in the absence of being able to have DONE sanctioned meetings, all NCs must be allowed to roll over more funds than are currently allowed. This is also in the interest of keeping the system equitable for all NCs.
