Summary: The Glassell Park Neighborhood Council voted unanimously IN FAVOR of this council file.

We, the GPNC, believe that this motion is a step in the right direction.

Glassell Park is home to a handful of these "nuisance motels." We would like to see the data from LAPD on:

- The number of calls they receive about problem motels
- How many arrests and what kind of arrests take place on motel properties
- How many hours officers spend on these types of calls that might be avoided if motel operators are forced to adopt better management practices.

We are curious to see if the data shows that these nuisance motels take up a sizable amount of LAPD resources and time. We feel that legislation should follow data/evidence and that this is the correct first step.
