COMMUNICATION

TO: LOS ANGELES CITY COUNCIL

File No. 06-2818

**FROM: COUNCILMEMBER TONY CÁRDENAS, CHAIR
INFORMATION TECHNOLOGY AND GENERAL SERVICES COMMITTEE**

COMMUNICATION FROM CHAIR, INFORMATION TECHNOLOGY AND GENERAL SERVICES COMMITTEE relative to the status of AB 2987, costs of digital conversion, and a cable TV franchising order update.

Recommendation for Council action:

NOTE and FILE the report from the Information Technology Agency (ITA), dated February 22, 2007, relative to the status of AB 2987, costs of digital conversion and a cable TV franchising order update, inasmuch as this report is submitted for information only and no Council action is necessary.

Fiscal Impact Statement: Not applicable.

SUMMARY

In a report dated February 22, 2007, the ITA states that the Department was instructed by the Information Technology and General Services (ITGS) Committee on December 12, 2006, to provide information on the costs of digital conversion of Channel 35 (CityView), the status of AB2987 and related work by the City, and to prepare an informational pamphlet on AB 2987. The ITA report includes detailed costs for digital conversion of Channel 35, status of AB 2987, and information on City-related work with the California Public Utilities Commission, the Public, Educational and Governmental (PEG) Access community meetings and a Federal Communications Commission's pending order on cable television franchising. The ITA further notes that the "AB 2987 - Then and Now" informational pamphlet has been completed. A copy of the pamphlet is attached to this Council file.

At its regular meeting on May 1, 2007, a representative of the ITA provided an update on AB 2987 and provided an overview of the AB 2987 informational pamphlet to the ITGS Committee. The Chair of the Committee recommended that this report be Noted and Filed, inasmuch as it was submitted for informational purposes only and no Council action is necessary. This matter is now submitted to Council for its consideration.

Respectfully submitted,

COUNCILMEMBER TONY CÁRDENAS, CHAIR
INFORMATION TECHNOLOGY AND GENERAL SERVICES COMMITTEE
