Update to a Previous Input: No

Directed To: City Council and Committees

Council File Number: 07-3155-S1

Agenda Date:

Item Number:

Summary: The Glassell Park Neighborhood Council enthusiastically supports a full ban on the use of polystyrene by public agencies, food businesses, and entertainment venues in Los Angeles. We further request that the City Council implement as widespread a ban on this harmful material as soon as possible. As a City bordered by the ocean, and built around a river, Los Angeles should be in the forefront of efforts to eliminate all forms of debris that endangers marine life and our waterways.
