At a regular meeting held on May 27, 2009, the Transportation Committee considered the LADOT report regarding the maintenance of the bike/walking path along the Metro Orange Line, specifically between Balboa Boulevard and Hazeltine Avenue. Representatives from the LADOT and Los Angeles Police Department gave the Committee background information on the matter. An opportunity for public comment was held. Afterwards, the Committee moved to note and file the LADOT report, inasmuch as the report is submitted for information only and no Council action is necessary. This matter is now forwarded to the Council for its consideration.
