#### SUMMARY

At its special meeting held on March 5, 2014, the Public Works and Gang Reduction Committee considered the recommendations of the City Engineer as contained in its April 6, 2012 report. The City Engineer reports that the area sought to be vacated is a portion of the street right-of-way along the easterly side of Beech Knoll Road adjacent to Lot 44, Tract No. 6840, in excess of an 18-foot wide half street right-of-way (a map of the area is included as Exhibit B in the April 6, 2012 City Engineer report and is attached to the Council file). The purpose of the vacation request is to allow for expanded construction of the existing single-family dwelling. This vacation procedure is being processed under procedures established by Council on March 5, 2002 as detailed in Council file No. 01-1459.

After having provided an opportunity for public comment, the Committee moved to recommend approval of the recommendations as contained in said City Engineer report and detailed above in Recommendation Nos. 1-5. This matter is now submitted to Council for its consideration.
