**MMD:**

**MOTION** by Mike Larsen that the Eagle Rock Neighborhood Council board approves and endorse Councilman Jose Huizar's proposal regarding Medical Marijuana Dispensaries as follows; a cap at 70 MMDs for the city of Los Angeles. 1 collective per 57,000 residents. Use a Request for Proposal system for the 70 collectives. Require only one operator per collective – so one owner per collective. Require an annual audit of each collective to determine if it is following the rules and not selling for profit. These are the main ones; others are lesser like contact notice on door and twice daily cash drop. And that the ERNC send a CIS statement to this effect.

**SECOND:** Brian

**FRIENDLY AMENDMENT** by Osbaldo that The Eagle Rock Neighborhood Council approves and adds to the CIS statement recommending that a 1,000 foot radius be kept from schools and churches.

Mike: I accept.
