report as follows:

TRANSPORTATION COMMITTEE REPORT relative to an update on the bicycle sharing program request for information (RFI).

Recommendation for Council action:

DIRECT Los Angeles Department of Transportation (LADOT) to:

- 1. Initiate discussions with the three most viable respondents to the RFI in order to determine the feasibility of implementing a bicycle sharing program in Los Angeles.
- 2. Work with the Metropolitan Transit Authority (MTA) and their vendor on their bicycle sharing program.
- 3. Report back to the Transportation Committee <sup>\* in 90 days</sup> with a proposal from the recommended vendor for the Committee's review and consideration or a determination that a project of this type is currently infeasible.   
 \*(Rosenbake - Pezes)

Fiscal Impact Statement: The LADOT reports that no fiscal impact is anticipated outside of previously funded staff, which will work to select the contractor and manage the ongoing project operations, if a project is implemented in Los Angeles.

Community Impact Statement: None submitted.

SUMMARY
