

MOTION

On October 1, 2008, the Council approved several recommendations relative to grant funding for the Los Angeles Neighborhood Initiative (LANI) Byzantine Latino Quarter (BLQ) Hoover Plaza Improvement Project on Pico Boulevard (C.F. 08-2616). The original intent of the project was to provide transit-related improvements at the location. Through a community-led design process, the project has been revised to include a northward expansion of the plaza by extending the curb at 1266 South Lake Street. Permission has been secured from the adjacent property owner and no additional funding is necessary.

I THEREFORE MOVE that the Council AUTHORIZE the Department of Transportation and the Bureau of Engineering to take the necessary actions to expand the Byzantine Latino Quarter (BLQ) Hoover Plaza Improvement Project by extending the curb at 1266 South Lake Street.

I FURTHER MOVE that the Department of Transportation be authorized to make technical corrections or clarifications to the above instructions in order to effectuate the intent of this motion.
