(Public Works Committee waived consideration of the above matter)

Summary:

At its July 28, 2009 meeting, your Committee considered a CAO report relative to the Fiscal Year 2009-10 staffing plan for the Proposition G Bridge Improvement Program. In its June 10, 2009 report, attached to the Council file, the CAO provides background information on this subject. During the discussion of this item, the CAO and Bureau of Engineering representatives provided a thorough overview of this matter and responded to various related questions posed by the Committee members. Said questions included but were not limited to the justification for the number of positions recommended in relation to the number of projects under the program. After additional discussion and providing the opportunity for public comment, the Committee recommended approval of the recommendation contained in the CAO report, as reflected above.

This matter is now submitted to Council for its consideration.

Respectfully submitted,
PERSONNEL COMMITTEE
