Re: Wireless Telecommunication Ordinance

Dear Mr. Lid,

The Mission Hills Neighborhood Council respectfully recommends, with the City Attorney's guidance and his recommendation, that the City of Los Angeles enact a comprehensive new ordinance, with clear and consistent standards and procedures regulating all wireless telecommunication facilities in the cities. Most importantly, authorizing regulation of esthetics and providing protection to communities and residential neighborhoods to the full extent of the law.

Please file this letter in Council;
File No. 09-2645

Sincerely,

Jerrilyn Hayahsi
