Re: CF #09-2672

Gentlemen:

I reside in Toluca Lake, and have seen the incredible increase in traffic on Riverside Drive through our "village". It is dangerous for pedestrians as well as people trying to park along the street to visit the many businesses we frequent. The traffic is mostly people traveling to and from the studios who are not the most alert to the nature of our Toluca Village, who are just getting to and from work.

To increase the speed limit further endangers the homeowners and pedestrians in my area. Please, if anything, decrease the speed limit.

Thank you,

Lisa Cook

Re. CF#09-2672

I strongly oppose the proposed increase in the speed limit on Riverside Dr. from 35mph to 40mph. Riverside Dr is already unsafe through Toluca Village. The increase of the speed limit will put pedestrians and motorists at greater risk. I will be unable to attend the meeting so please accept this letter as my vote in opposition of increasing the speed limit.
